

TechDay

ENORISE GmbH & Karlsruher Institut für Technologie

Karlsruhe – 17. Sept. 2025

TechDay of ENORISE GmbH at the Karlsruhe Institute of Technology

As part of the acquisition by the **CERTINA Group**, the **ENORISE GmbH** was founded from the **FEV Software and Testing Solutions GmbH**. With over 35 years of experience in testing, test bench development, special machine construction, automation, software development, and our worldwide renowned products, we remain a globally leading partner for your applications.

More information

On 17 September 2025, from 8:00 am to 5:00 pm, we would like to warmly welcome you to a unique and inspiring event at the Karlsruhe Institute of Technology – Institut für Kolbenmaschinen (IFKM).

In addition to information about our company ENORISE, you can look forward to the following highlights at our TechDay:

- Practical demonstration of our software using a vehicle on the test track
- Exciting presentations on our services in the areas of software, test benches, and automation systems
- Presentations and live demonstrations
- Exchange of experience and technology
- Guest presentations by our partners from KIT Karlsruhe, HighQSoft, and others

Look forward to a day full of interesting insights. Our product managers will be happy to inform you about our latest products and innovations. Between snacks, appetizers, and refreshing drinks, you will have the opportunity to exchange ideas and make new contacts in a pleasant atmosphere.

Please confirm your attendance by 10 August 2025 so that we can prepare everything in the best possible way.

If you have any questions or special requests, we are always at your disposal.
